Clip-On Data Strip with Gripper

ADP Clip-On Data Strip is the complete solution to your shelf ticketing needs. The innovative clip-on desig enables fast and accurate attachment to the shelf lip.

Compared to traditional adhesive data strip, ADP's clipon solution is a durable and hassle-free solution in all temperature environments.

Benefits:

- No adhesive for long-lasting attachment
- Fast and accurate installation
- Suits ADP S-Mart shelves and most other common shelving brands
- Full length 'Gripper' strip for specials and other promotional signage
- Now available in 32mm and 39mm ticket heights

- Ceiling fitting allows for fine adjustment of the suspended sign to hang perfectly level.
- Anodised aluminium fittings with 1.5mm stainless steel wire. Wire length 3.6m

Part No.
AP1807

Ticket Frames & Accessories

Poster Rail System

- Our basic Poster Rail System provides you with a simple method of suspending signage frames in a straight line, above gondolas or carton stacks

- Take advantage of the selling opportunities available while keeping the floor area clear from obstruction

ADP's range of shelf dividers take your shelf presentation to the next level.

Your store upkeep is made easier with products kept neatly in their allocated bays. The divider rails insert into the unique channel in the S-Mart shelf. This ensures a longer lasting solution and superior accuracy of installation compared to adhesive rail systems.

Round Tubing

- Aluminium tubing - 20mm diametre

- Finish - Clear Anodised
